MANDATORY FEES

(1) The entrance fee and the security deposit are only due in the first year. The deposit is fully refunded when the pupil leaves the school for good, together with the balance of the personal expenses, less the sums due to the school (except in the case of withdrawal or termination of the contract, c.f. Contrat de Scolarité). (2) Tuition and boarding fees cover registration fees, tuition, boarding, the loan of books (books not returned will be re-invoiced at the end of the year) and school supplies, sports activities (including registration with the sports association), school outings (except in specific cases). (3) The provision for personal expenses is used to cover the student's occasional expenses for unforeseen events (medical expenses, non-teaching trips, damage, etc.). The balance is passed on to the following year's invoice or closed on the pupil's departure and reimbursed after treatment of all ancillary costs chargeable to the pupil. An additional provision may be requested as required. Compulsory licences within the framework of UNSS activities will be passed on to the personal expenses account. (4) Transport: these are coach journeys from Paris to Verneuil on Sunday evening and from Verneuil to Paris on Friday in the late afternoon. A minibus service is also available for Rouen-Verneuil/Verneuil-Rouen journeys. On request, stops can be arranged on these two routes for families living outside these two cities.
